# Enterprise Certification

## Is This Right For You?

- ☑ We are a larger company with internal L&D capabilities.
- ☑ Compassionate Accountability® (CA) supports our enterprise goals.
- ☑ We want our team to **teach the Mindset, Skillset, and Interaction Template** for CA.
- ☑ We want to spread CA throughout our organization.

Once you've selected who will get certified and executed a license, the path is quick and easy.

## Certification Path

**Activate The Mindset**

Take our 20-min self-guided e-course on your own time to **experience the first part of our framework,** the Mindset that sets the stage for what's next.

**Experience The Course**

**Complete our three-hour, virtual, instructor-led course** to learn our proven method, the CA Mindset, Skillset, and Interaction Template, planned around your schedule.

**Get Certified**

Our train-the-trainer process is a **five-hour, virtual, instructor-led certification**, which includes self-paced review of training guides, planned around your schedule.

Do you have questions about roll-out, customization, or scaling? We are here to help.

## Quick Start Certification Package

**Certify Two Trainers** **+** **Three-Year License** **+** **Materials to train 100 people**
